

## Directions

Follow the Helshoogte Pass (R310) out of Stellenbosch until you reach the Tokara Wine Estate. Take the turnoff on the left hand side. The road forks immediately - keep right. Continue all the way down until you reach a big tree - here the road splits in two. Keep left and look for a wall that reads 'Wechmarshof', on your right hand side. Follow the road that leads to the farm and stop at the first building on the left-hand side. Tim Lengfeld Mastering is located alongside Sunset Recording Studio - If you're this close, you should be able to find it by following the music.
